

ANTHONY A. WILLIAMS
MAYOR

Dear District Government Employees:

We as individuals can make a difference in our community when we band together and pool our resources. This is what we are doing when we contribute to the One Fund, and that is why the theme of this year's One Fund Campaign is "Making a Difference, One by One." Through the One Fund, the value of what we give is enhanced by others, and we magnify the good that we can do.

Consider the difference we can make together if each District Government employee makes a minimum contribution. Can you spare \$1 a week to help someone in need? Just \$2 per pay period can have a real impact if we all contribute. If you can give more, please consider becoming a Fair Share giver so that One Fund organizations can benefit even more from your generosity. Together we can accomplish more than any of us can do as individuals.

You will find in this year's directory many charitable organizations. These organizations do important work in our community, and they depend on us for support. Make a difference. Join me in making a contribution to these worthy organizations through the One Fund.

Sincerely,

A handwritten signature in cursive script that reads "Anthony A. Williams".
